

# Would you be interested in taking part in a diabetes investigational research study?

- Do you have Type 2 Diabetes?
- Are you at least 18 years old?
- Are you currently taking pioglitazone on its own or in combination with metformin?
- If you answer yes, you may be suitable to take part in the investigational study which will test a new type of tablet for Type 2 Diabetes.
- If you are interested in getting more information, please contact:
