

Do you have Type 2 Diabetes?

We are conducting a clinical research study using an investigational medication for Type 2 Diabetes.

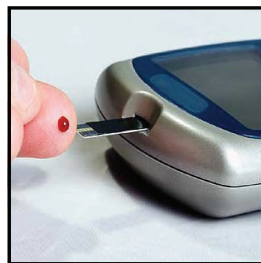

If you have Type 2 Diabetes, please consider joining our research study.

You may be eligible if you:

- are at least 18 years old
- are diagnosed with Type 2 Diabetes
- have an A1C between 7.0% and 8.9% (an A1C is a test, ordered by your doctor or diabetes educator, that reflects your overall blood glucose control)
- are currently taking only metformin for your diabetes

All study-related medications, laboratory exams and clinic visits are provided at no cost.
